INDEPENDENT AUDITORS' REPORT

To the Member of
Granite Securities, LLC
Cutchogue, New York

We have audited the accompanying balance sheets of Granite Securities, LLC as of December 31, 2005 and 2004 and the related statements of operations and members' equity and cash flows for the years then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audits.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Granite Securities, LLC as of December 31, 2005 and 2004, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

GRANITE SECURITIES, LLC
NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Business Activity

Granite Securities, LLC (the "Company") was created on November 10, 1999 in the State of New York as a limited liability company for both Federal and New York State tax purposes.

The Company is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of various exchanges and the National Association of Securities Dealers (NASD).

b. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

c. Basis of Presentation

The Company is engaged in a single line of business as a securities broker-dealer, which comprises several classes of services, including principal transactions, agency transactions and investment advisory.

d. Commissions

Commissions and related clearing expenses are recorded on a trade-date basis as securities transactions occur.

e. Investment Advisory Income

Investment advisory fees are received quarterly but are recognized as earned on a pro rata basis over the term of the contract.

f. Statement of Cash Flows

For purposes of the Statement of Cash Flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than ninety days, which are not held for sale in the ordinary course of business. There was no interest paid for the years ended December 31, 2005 and 2004.

2. CONCENTRATIONS OF CREDIT RISKS

The Company is engaged in various trading and brokerage activities in which counterparties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

GRANITE SECURITIES, LLC
NOTES TO FINANCIAL STATEMENTS
(Continued)

3. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2005, the Company had net capital of \$121,506 which was \$116,506 in excess of its required net capital of \$5,000. The Company's net capital ratio was 0.78 to 1 at December 31, 2005. At December 31, 2004, the Company had net capital of \$116,487 which was \$111,487 in excess of its required net capital of \$5,000. The Company's net capital ratio was 0.68 to 1 at December 31, 2004.

4. INCOME TAXES

No provision for federal and state income taxes has been made in the financial statement since the Company's profit and losses are reported on the member's tax return.

5. RELATED PARTY TRANSACTIONS

The Company leases office space from its member. The lease is classified as an operating lease and is renewable on a month to month basis. Rent expense was \$59,500 and \$6,000 for the years ended December 31, 2005 and 2004, respectively.

6. DISCRETIONARY SETTLEMENT

Discretionary settlements are normal in the course of doing business. During year ended December 31, 2005, two discretionary settlements were paid out as per the recommendation of counsel to avoid incurring legal fees in excess of the discretionary settlements.

INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY INFORMATION

To the Member of
Granite Securities, LLC
Cutchogue, New York

Our report on our audit of the basic financial statement of Granite Securities, LLC for the years ended December 31, 2005 and 2004 appears on page 1. The audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information is presented for purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
